

**Public Forum**  
**Informational Meeting**  
**Chance of Quorum**

Thursday, February 28, 2019 - 6:00 p.m.  
Conover Center, 4665 CTH K E, Conover, WI 54519

The Town of Conover is considering the building of a new indoor/outdoor park pavilion that is ADA and State approved and is looking for resident's input. The current estimated cost is \$425,000 with approximately 50% being paid for through a grant. The remainder of the amount will be included in the towns budgeted expenses. The building will be for public use and will be able to accommodate large functions.

Questions will be answered by the Town Board members and the Park Committee.
